## NARRATIVE

On 07/23/2014 at about 1248 hours (all times approximate) I was radio dispatched to a blocking/possible injury collision in the 9300 block of 4th Street NE in the city of Lake Stevens. Arriving on scene I observed one passenger car blocking the westbound lane of 4th Street and an SUV blocking the southbound entrance lane into the park and ride parking lot.

A male passenger (Sprately) in the passenger car (U2) was still sitting in the rear passenger seat (behind the driver's seat) and appeared to be in obvious pain. Sprately was currently wearing a boot like cast on his left foot and claimed he had previous fractures in his foot; the collision now making it feel worse.

The driver of the passenger car (U2) claimed she was two months pregnant and was transported to the hospital along with the male passenger Sprately.

Based on evidence and statements at the scene, it is found U2 had been traveling westbound on 4th Street (a 25mph speed zone) and approached the entrance/exit for the park and ride (to the south) and the shopping center (to the north) when U1 pulled into the roadway from the shopping center exit. U1 pulled out into the path of U2. U2 was unable to stop and collided with the rear driver's section of U1. U2 remained in the roadway (having air bags deployed) and U1 continued across 4th Street into the park and ride entrance lane.

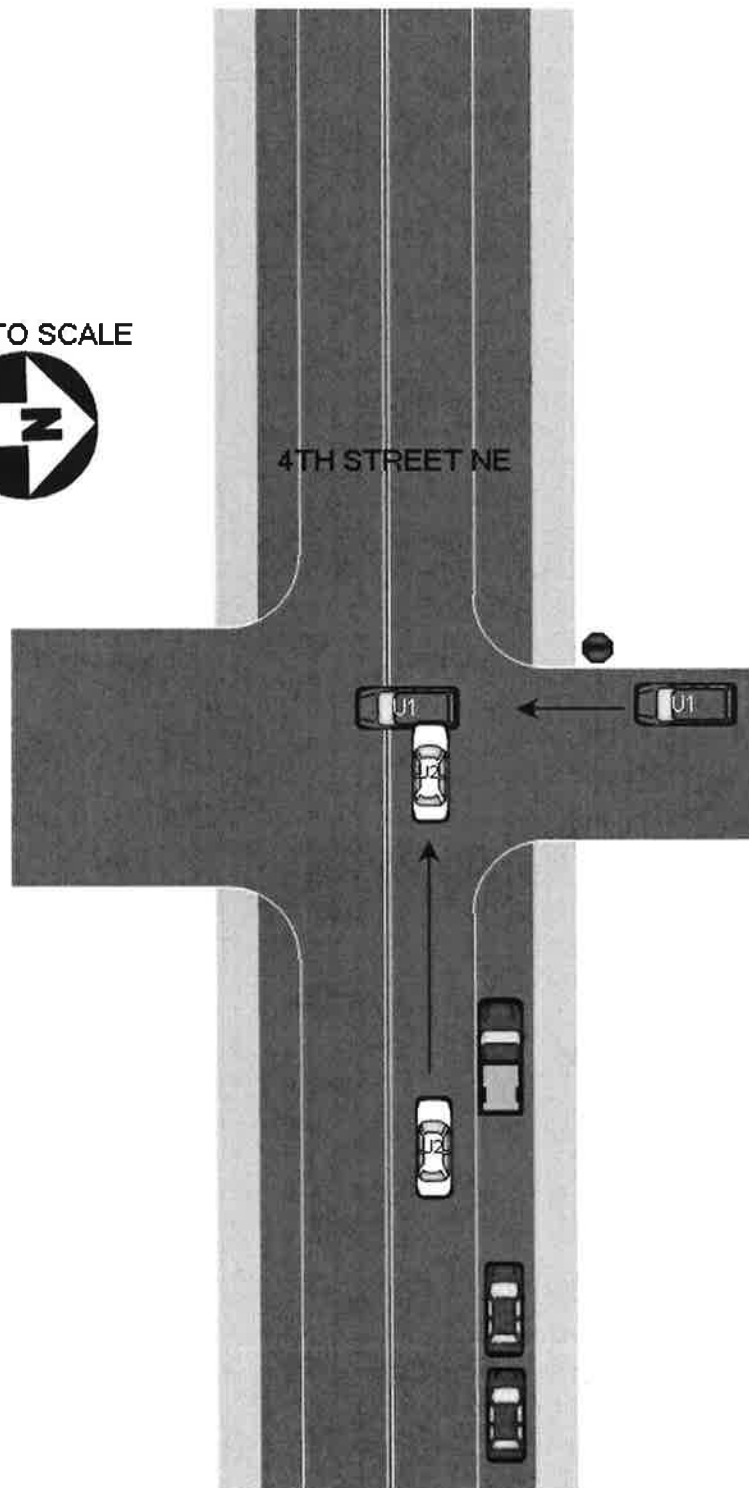

U1 was towed from the scene and U2 was moved out of the lane of travel.

The driver of U2 stated she did not have vehicle insurance because she has had the vehicle for about a month and was waiting until she had paid the vehicle off to get insurance. There is a report of sale on the vehicle, reported on 6/08/2014, which lists a Sonia Perez as the most recent purchaser. The driver of U2 showed a hand written bill of sale claiming she had purchased the vehicle from Perez. It should be noted that vehicles exiting out of the shopping center southbound have a very limited sight distance to the east when vehicles park along with westbound shoulder of 4th Street.
